FINANCIAL PARK (LABUAN) SDN BHD**

Labuan, 7hb Jun 2021: Financial Park (Labuan) Sdn. Bhd. (FPL) ingin memaklumkan bahawa pembukaan Kompleks Ujana Kewangan yang dijadualkan pada 9hb Jun 2021 ditunda buat masa ini. Pembukaan semula dijangka seawal-awalnya 16hb Jun 2021 tertakluk kepada penilaian risiko serta situasi jangkitan COVID19 semasa. Penundaan pembukaan ini dibuat atas kepentingan kesihatan awam yang amat mendesak untuk melindungi pemilik, penyewa, kakitangan dan pengunjung serta atas dasar tanggungjawab FPL bagi bersama-sama memutuskan rantaian jangkitan COVID19 di Wilayah Persekutuan Labuan.

Keputusan ini diambil berdasarkan nasihat dan saranan dari Jawatankuasa Pengurusan Bencana Negeri Wilayah Persekutuan Labuan dan Majlis Keselamatan Negeri Wilayah Persekutuan Labuan yang prihatin dengan situasi semasa penularan kes COVID19 yang masih tinggi dan belum menunjukkan tanda-tanda penurunan. Di samping itu, FPL juga telah mengambilkira penilaian risiko oleh Jabatan Kesihatan Negeri Wilayah Persekutuan Labuan yang menunjukkan bahawa masih terdapat risiko kebolehjangkitan yang tinggi jika Kompleks Ujana Kewangan dibuka semula pada 9hb Jun 2021.

Pihak FPL sentiasa komited dalam memberikan kerjasama sepenuhnya kepada pihak berkuasa dalam membantu menangani situasi jangkitan penularan kes COVID19 di Wilayah Persekutuan Labuan terutama di bangunan Kompleks Ujana Kewangan Labuan. Sehubungan ini, FPL telah melaksanakan empat program sanitasi berperingkat selama 4 hari berturut-turut di seluruh Kompleks Ujana Kewangan semasa tempoh penutupan dari 2hb hingga 8 Jun 2021.

**PRESS RELEASE
FOR IMMEDIATE RELEASE**

**OFFICIAL STATEMENT BY
FINANCIAL PARK (LABUAN) SDN BHD**

Labuan, 7th June 2021: Financial Park (Labuan) Sdn. Bhd. (FPL) would like to inform that the reopening of the Financial Park Complex planned for 9th June 2021 is temporarily postponed. The Complex is now expected to be opened on 16th June 2021 subject to risk assessment and the prevailing COVID19 situation then. The postponement is necessary as FPL prioritises the protection of the health and safety of its residents, tenants, staff and visitors as well as FPL's joint responsibility towards breaking the chain of COVID19 infection in the Federal Territory of Labuan.

The decision to defer the reopening was made based on the advice and recommendations of the Federal Territory of Labuan's Crisis Management Committee and state Security Council, both of which are concerned about the current high number of COVID19 cases in Labuan, which thus far has not shown any signs of improvement. In addition, FPL has also taken into account the risk assessment made by Jabatan Kesihatan Wilayah Persekutuan Labuan which indicated that there remains a high risk of infectiveness to the community if the Complex is reopened on 9th June 2021.

FPL is highly committed in cooperating with the authorities to address the current situation of COVID19 infections in the Federal Territory of Labuan especially in the Financial Park Complex. In this regard, FPL has also implemented a phased sanitation program for 4 consecutive days throughout the Financial Park Complex during the recent closure period from 2nd to 8th June 2021.

All information and measures in relation to the closure of the Financial Park Complex as contained in the press release dated 31st May 2021 remain the same. Please visit our website at <http://www.fpl.com.my/> and Facebook page at 'Financial Park Labuan' to remain updated with latest information about this closure.

Thank you for your continued support. Let us together support all our front-line teams by complying to the SOPs in dealing with this pandemic and remain at home in order to break the chain of COVID19 infection so that the Federal Territory of Labuan regains its green zone status again.
